

Hi All,

I hope everyone is getting excited about our summer mission trip! It is definitely going to be a memorable week. We have some big fundraisers coming up that we need everyone's participation for in order for them to be successful. I am scheduling a meeting for this **Sunday April 2 at 5pm** so that we can be fully prepared for what's ahead. Please respond with your attendance. Parents are encouraged to attend as well.

Apr 22-23: Krispy Kreme Doughnut sale at St. Ann's after all masses. We will need teens and adults to man the tables. I will be sending a schedule via Signup Genius so please check your calendars and signup when you receive the notification.

May 6: Ham and Yam Festival in Smithfield. We are tweaking the menu as to what will be sold at our booth. This will be a very long day; @7am-9pm(dependent on if we setup Friday evening or Saturday am and also if we sell into the evening) Many, many hands will be needed! The profit potential is great so our hard work will pay off.

We also have a basket of goodies from local businesses to raffle off. Dates for this will be determined and again there will be a sign up to follow.

If you haven't already done, so all campers need to fill out registration information for camp. Please follow the link and fill out forms as soon as possible.

Thanks so much for your participation and I am looking forward to a great trip. Please let me know if you have any questions.

Sincerely,

Ms. Ann
